Subject: Miyoshi Group status update to COVID-19

Dear Valued Customer,

With the Japanese government declaring a State of Emergency over COVID-19, we try to ensure business continuity, service and support to our customers, related companies and partners. We place our highest priority to the safety and security of our customers, employees, and their families. Current operation status in Miyoshi Group is as follows:

Tokyo Head Office: all employees working from home since 3/30/2020  
Iwatsuki Plant & Urawa Warehouse : normal operation in production, receiving order and shipping  
Overseas group companies: normal operation while taking measures to prevent the spread of infection.

as of April 9, 2020 Company	Operation Status			
	Production	Receiving Order	Shipment	Sales
Miyoshi Kasei, Inc.	In operation	In operation	In operation	In operation but work from home
Miyoshi America, Inc.	In operation	In operation	In operation	In operation but work from home
Miyoshi Europe SAS	In operation	In operation	In operation	In operation but work from home
Miyoshi Suzhou, Co.,LTD.	In operation	In operation	In operation	In operation

If you have any questions or require any further information, please contact directly to your salesperson.

If you need immediate assistance please contact Iwatsuki Plant:

Iwatsuki Plant: Tel: 048-689-3581 Fax: 048-689-3583

To serve you as always in this difficult time, we will promptly provide you with our operation status updated to our website. <https://www.miyoshikaseigroup.com/en/news/>

We thank you for your understanding and continued business and hope everyone remains safe and healthy.

Hitoshi Usui

President  
Miyoshi Kasei, Inc.
